Welcome to pine wood furniture art

Contributed by Web Master

We are an original furniture restauration and manufacturing company from Transylvania (Romania, Eastern Europe), called Gritis Impex SRL. We restaurate old and antique pine wood furniture, manufacture old and antique furniture and produce personalized furniture from old and new pine wood.

We work now mainly with pine wood, but we can work with other kinds of wood as well.

We can reproduce or patinate any kind of models of furniture.

We have the best specialists in restauration and manufacturing and we use materials for a high quality finishing.

The quality of our products is well known all over the world, our main clients being from: Australia, France, Italy, Germany, Belgium,Spain and Czech Republic.
